

Get To Know Our Doctors

Welcome to our veterinary practice! We would like to thank you for choosing us to provide your pet with superior care and a future of good health. We strive to provide the most complete veterinary care. Our knowledgeable staff looks forward to a continuing relationship with you and your pet. Our goal is preventive medicine with an emphasis on individual and complete care for your pet. We are very proud of our veterinary hospital and if you have not already, we encourage you to take a tour!

Dr. Marci Streck, DVM Co-Owner of Caring Hands Animal Hospital of Rockville. Dr. Streck, Co-Owner, graduated from Texas A&M University with her Doctorate of Veterinary Medicine in 2002. She joined Caring Hands Animal Hospital shortly after graduation. She holds specific interests in soft tissue and orthopedic surgeries, dentistry, animal behavior and the human-animal bond.

Dr. Meredith Reynolds, associate veterinarian, graduated from Bridgewater College with a bachelor degree in Biology and then graduated from Kansas State University College of Veterinary Medicine with her Doctorate of Veterinary Medicine. Her interests include ultrasound, dentistry, and cardiology. In her free time, she enjoys playing tennis, hiking, and cheering on the Nationals baseball team.

Dr. Gina Akande, associate veterinarian, graduated from Virginia- Maryland College of Veterinary Medicine. She is originally from Howard County, MD, and received her bachelor's degree in Animal Science and Psychology from University of Maryland- College Park (Go Terps!). Dr. Akande's interests include preventative medicine and surgery. In her free time, she enjoys pilates, running, and going to try new restaurants in the area.

Dr. Erika Del Pilar, associate veterinarian, graduated from Tuskegee University College of Veterinary Medicine. She is originally from State College, Pennsylvania, and received her Bachelor's Degree in Veterinary and Biomedical Sciences from The Pennsylvania State University. Dr. Del Pilar's interests include preventative medicine, animal behavior, and internal medicine. In her free time, she enjoys working out, cooking, and going to the movies.

Dr. Steph Craven, associate veterinarian, attended the University of Missouri-Columbia, where she completed a Bachelor of Health Sciences, a Doctorate in Veterinary Medicine, and a Master's in Public Health. Dr. Craven has lived in many places, including Oklahoma, Mississippi, Wisconsin, Missouri, and Maryland.

Dr. Mithila Noronha, associate veterinarian, earned her veterinary degree from Iowa State University. She is originally from Omaha, Nebraska, and graduated from Washington University in St. Louis with a Bachelor's degree in Biology. After living most of her life in the Midwest, she has fallen in love with the East Coast and the diversity of the D.C. metropolitan area.
